## **Independent Auditor's Report on Review of Interim Financial Information**

To the Shareholders of Bangkok Dusit Medical Services Public Company Limited

I have reviewed the accompanying consolidated statement of financial position of Bangkok Dusit Medical Services Public Company Limited and its subsidiaries as at 30 September 2015, the related consolidated statements of income and comprehensive income for the three-month and nine-month periods ended 30 September 2015, the related consolidated statements of changes in shareholders' equity and cash flows for the nine-month period ended 30 September 2015, as well as the condensed notes to the consolidated financial statements, and have also reviewed the separate financial information of Bangkok Dusit Medical Services Public Company Limited for the same period. Management is responsible for the preparation and presentation of this interim financial information in accordance with Accounting Standard No. 34 Interim Financial Reporting. My responsibility is to express a conclusion on this interim financial information based on my review.

### **Scope of Review**

I conducted my review in accordance with Standard on Review Engagements 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with auditing standards and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

### **Conclusion**

Based on my review, nothing has come to my attention that causes me to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with Accounting Standard No. 34 Interim Financial Reporting.
